## “Idle Chatter”

**W**ell we finally made it to the top, Seniorhood! A world of fun and excitement and nonstop parties. But wait, let's think about this. In reality this year's seniors kind of got jipped out of a few, not necessary but deserved rights. It all started with the loss of a five day senior privilege. Due to the new rotating schedule, seniors could only leave 1 or 2 days a week rather than 5. Okay no big deal, but what about the really short Christmas break we got? It was exactly one week long and we didn't even get a half day the Friday before. I guess even that wouldn't be so bad if we had at

least been bombarded with snowstorm all winter long. Grafton didn't receive a total of twelve snowflakes this entire winter! Mother Nature must have figured that seniors don't have to make up any extra days. This fact brings me to the final point that this year's seniors didn't graduate until June and not in the traditional month of May. Boy we sure got jipped! Luckily we were smart enough to use some of our car excuses to go out to breakfast, and write those not so official notes to get dismissed every Friday. Well, we lost some and we won some, but in the end we all can agree, it was a very good year!

INTO THE SPIRIT OF THINGS. Michelle, Melanie and Charlotte wait for the activities to begin.

## Push Ups In The Classroom

No this is not phys. ed. class, this is math class. The students in here have found out that push ups or exercise in general can help them think clearer, become more motivated to do well and avoid the lethargy that seems to follow lunch. Chad, John and Scott also use push ups to motivate each other. They set up a negative push up bank which can be used to pay off any push up debts. There is also a push up mastercard system in which overdue debts are charged the current interest rate. In essence, the students have found a way to keep themselves interested in an area which was previously a problem for them and you know? It Works!

**CLASS ACTS.** Cheryl, Brian, and Michelle try to finish their work.

**HEATER CREW.** These seniors uphold the morning ritual of chatting on the heater.

## What's In The Air!

It was very unexpected! The 1987 football team did not live up to the fans expectations, but the 1988 team won their loyalty back. It truly was an exciting season. The team played every game as if not just to win, but to prove that they were unlike the rest. They were determined. With game after game won or tied, the step toward the Superbowl were fewer and fewer. The Grafton team was unstoppable until the traditional Thanksgiving game against West Boylston. There they suffered a minor setback and a little injured pride. It didn't however hurt their chance to play at WPI for the Superbowl. They now felt that they had to win. The big day came and the team played their best. Even though the team lost 15-7 to West Boylston they still have the memories of a truly great season and had the opportunity to once again represent Grafton in a Superbowl.

**HELPING HANDS.** Holly, Missy, and Becky make preparations for the wedding.

**FEELIN' FUNKY.** Danielle, Tina, Andrea, Kerry and Cheryl.

**POSING PRETTY.** Pam and Kristy look as if they're having fun before school begins.

**ENJOYING HERSELF.** Lori, what's so funny?

**LOUNGING AROUND.** Mike takes a rest from all the excitement.

DRINK UP. Greg Brooks samples a variety of beverages at the party.

HANG ON LITTLE BUDDY. Mark Anderson and his new friend, Donald.

FUN IN THE SUN. Catchin' some rays is Roger Samuelson. Lookin' good!

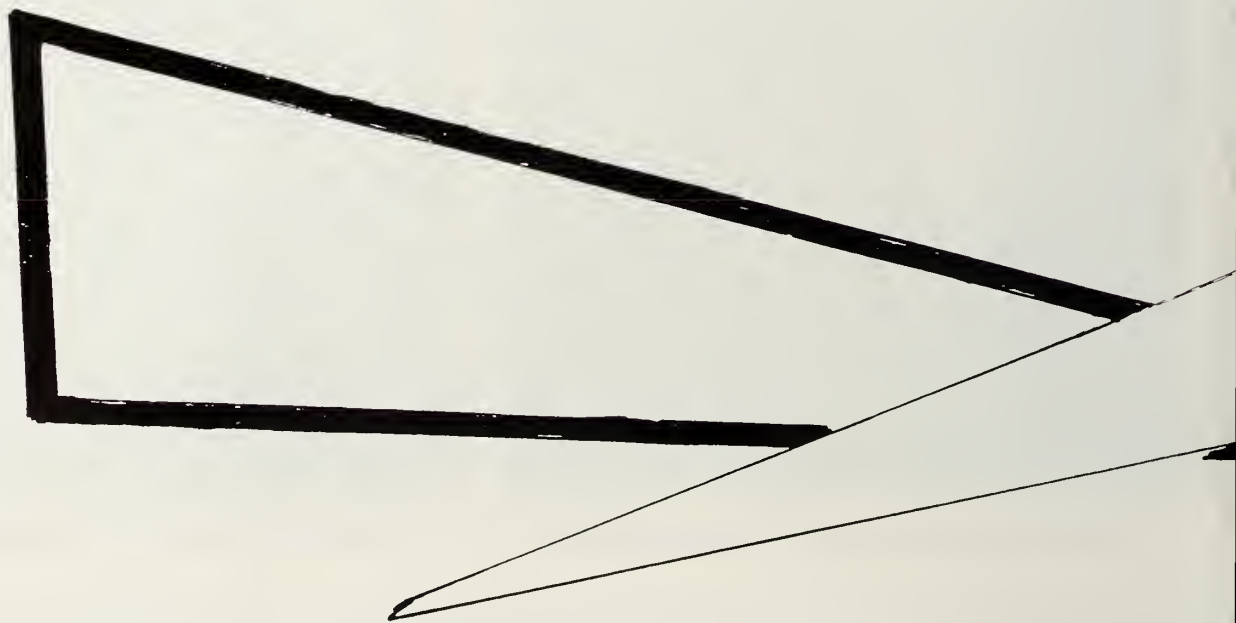

YEAH RIGHT. Dan, Kev, and Rich can always make you laugh.

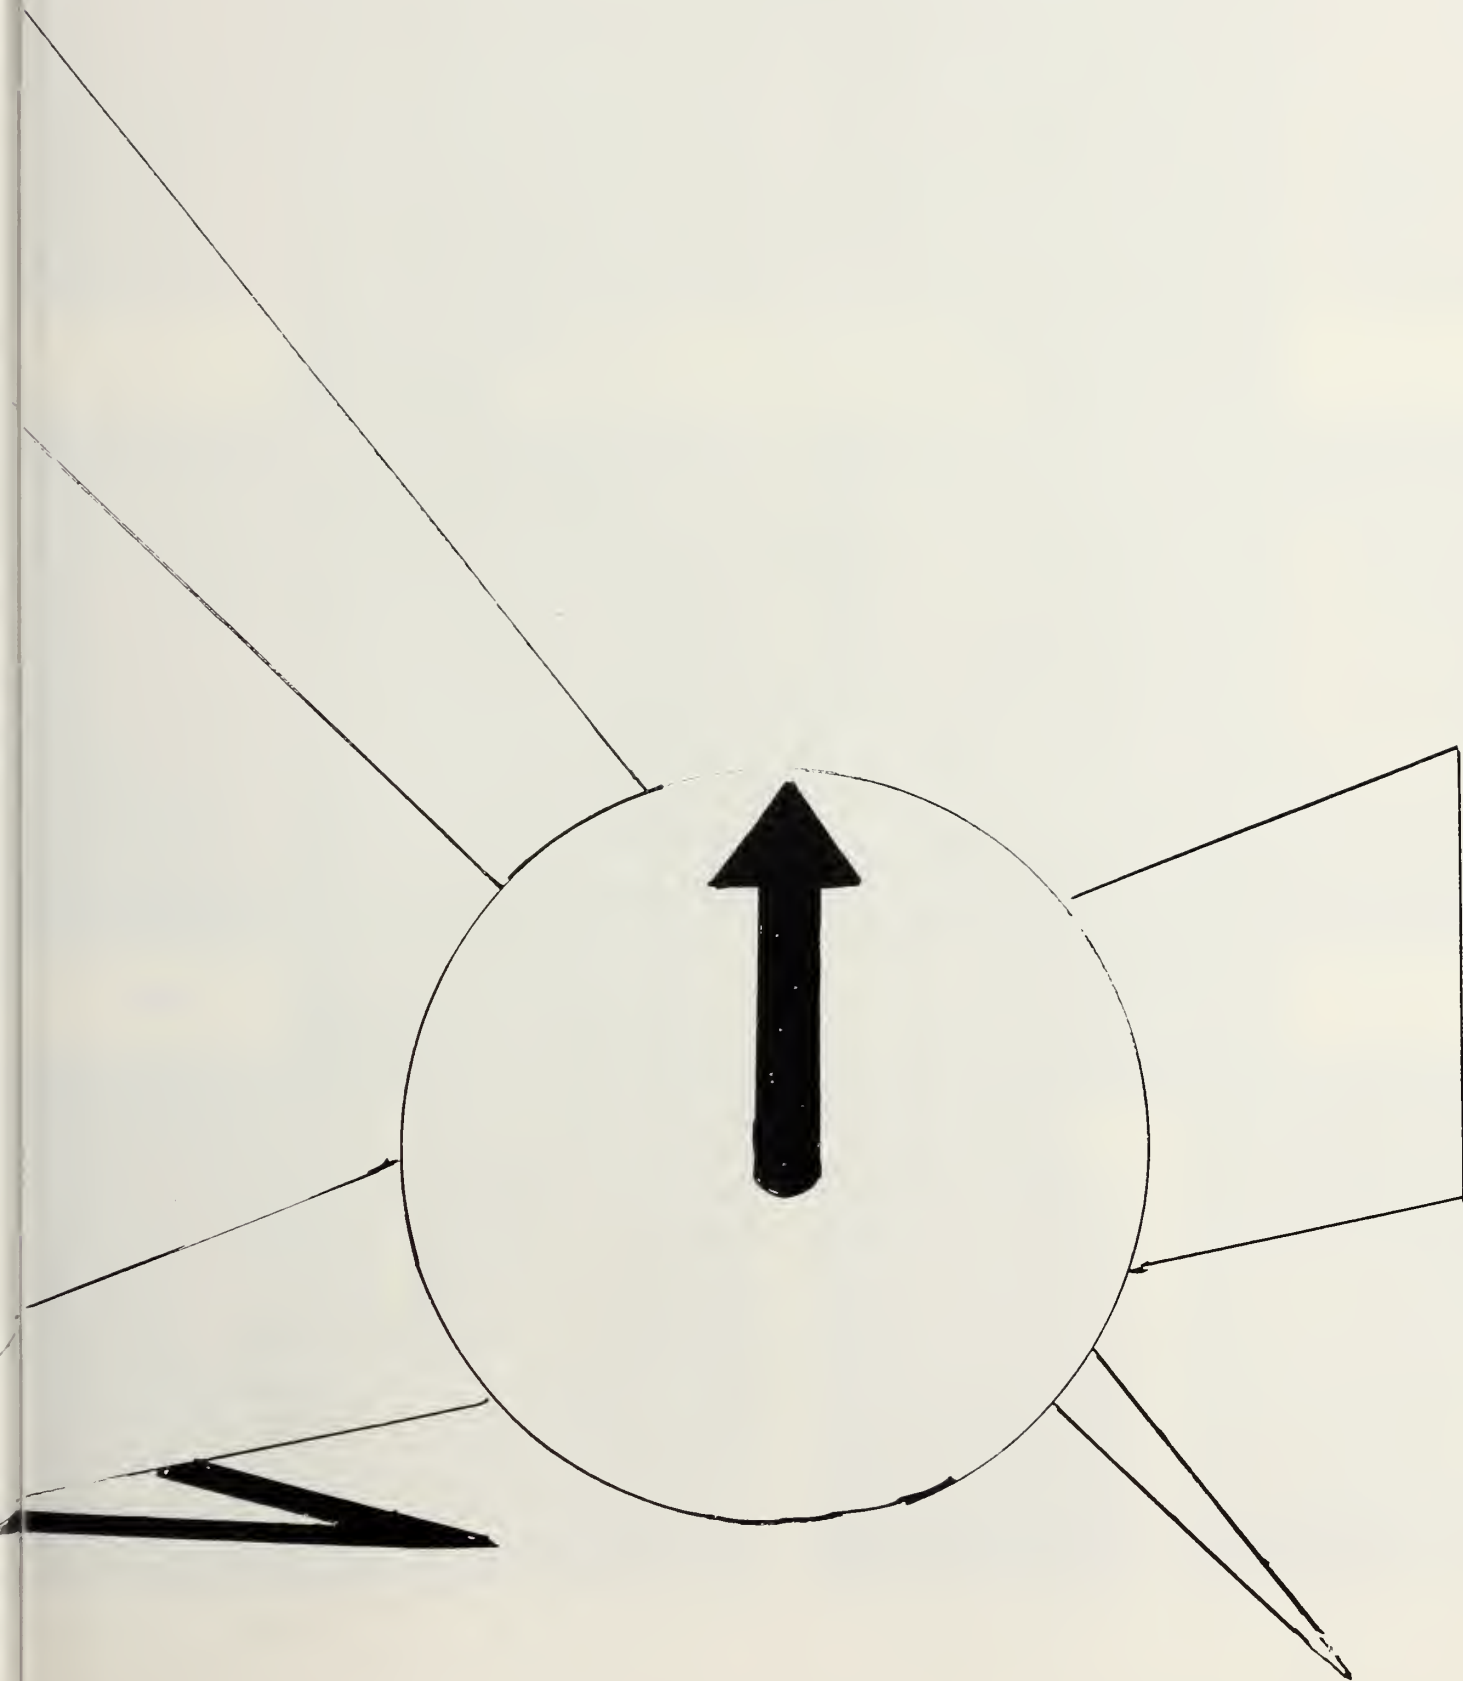

SAY AHH. Spike Somers gets a kick out of his new creation.

*Our Time Has Come*

Dear Mrs. Redding,

Can you believe our four years of high school have finally come to an end? We've been through so much together. As naive, anxious freshmen, you were always there for us ready to lend a helping hand. You've listened to our ideas, our problems and frustrations and always offered your shoulder to lean on. You've watched us grow, and as seniors, we'd like to dedicate our yearbook to you, Mrs. Linda Redding, you have guided and inspired us at Grafton Memorial Senior High School. We think the poem we had engraved on our gift we gave to you on Classnight says it all . . .

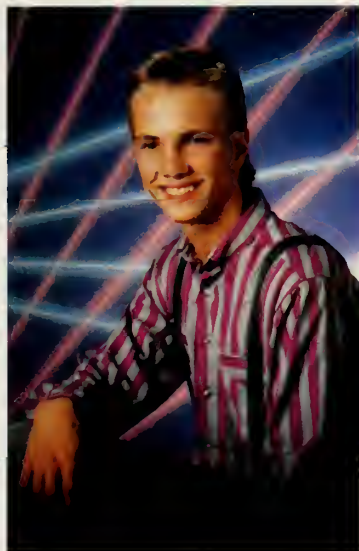

Tonight a curtain closes  
And we take a final bow  
To the four years we have spent

Which are slowly ending now  
But let time stop this evening  
For just an hour or two  
As we recall the memories  
That seem right now too few  
And gathered all together  
We will not say "GOODBYE"  
For thoughts that will prevail  
With us of you will never die.  
What more can we say but THANK YOU  
for all that you have done -  
You've truly been "The Wind Beneath Our Wings."

We Love You,  
The Class of 198

# 91

Our sophomore class has achieved a lot in our second year at GHS. We started the year going with a bake sale for the voters during elections. We took 2nd place in banner at the Thanksgiving pep-rally. The busy Christmas season was extremely successful in the wrapping paper and carnation sales. Also, we took 1st place in the toys for tots drive. Valentine's Day was another success with a carnation sale but, the fun didn't stop there, the main event of our sophomore year our class ring ceremony. Plans are allready under way for the Junior Prom. As we look forward to our few remaining years at GHS.

## A World of Mystery

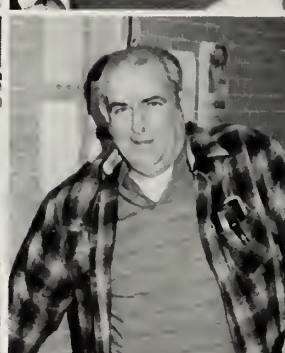

"You have entered another dimension, a world where the real may be imaginary and the imaginary may be real. Sit tight, your journey into the unknown will be a mere forty-three minutes for five periods a week. There is nothing to fear, all will survive this trip into darkness under the guidance of crewship leader, Mrs. Bedell." ## Radio of the Dead

Behind the brown door marked "Men Teachers", we entered to conduct an interview with Mr. Schoos. But what would an interview be without his sidekick Mr. Kosnoski?

We sat in the lounge, admiring the rustic plastic chairs, ancient typewriter, and radio from the dead.

We chatted about politics, but the only answer we got was that he was a "conservative, liberal, Republican, Democrat, communist."

We were joined by Mr. Kosnoski, and trying to get a different slant on the interview, we asked him "what is funny about Mr. Schoos?" "You mean besides physical appearances?" he replied. They proceeded to harass each other throughout the remainder of the interview.

## Simon Said What?

For the first time in many years, GHS held a Winter Carnival, organized by the Student Council under the direction of history teacher, Mr. Richardson.

One of the most memorable games played was "Simon Says." Mr. Richardson was "Simon" and twenty students from each of the four classes were his victims. After the first command, the majority of the players were shuffled off the floor in a great commotion. Many students felt that Mr. Richardson didn't know how to play "Simon Says", and they called for a new commando.

# Grafton Field Hockey Tuff Enough

The Grafton Field Hockey team had another great season this year. The girls put in a lot of hard work throughout the season, but always seemed to come up a few goals short, as their record shows (1-11-1). Their only win was over West Boylston to knock them out of a district position. The varsity team was led by tri-captains Missy Haseltine, Jennifer Azar, and Gretchen Anderson. The offensive line was led by Missy Haseltine, who was the high scorer with 3 goals. The other offense are seniors Pam Fields, Jen Azar, Pam Wright and Jen MacCallum and Juniors Lisa Chiarenza, Rebecca Budroe, Cherie Boucher, and Jen Budreau. The defense was led by the excellent goalkeeping of senior Kelly McIntyre and sweep of Amy Dowd. The rest of the defense was led by seniors Kristy Cusson, Gretchen Anderson, Crystal Sheritt, Denise Patterson and junior Kerry Gronberg.

A special thanks to the Coach Kim Lawler and also to freshman Heather Way who kept the statistics for both the varsity and j.v. teams.

Crystal Sheritt puts in a major workout while teammates Denise Patterson and Amy Dowd look on.

## Girls' Cross Country Taking It In Stride

The girls' cross country team had a good 1988 season. Their record this year was 4 wins and 10 losses. The team members included: Juniors: Tina Carlson, Jen Cochran, Amy Corcoran, and Corrina MacKoul. Sophomores: Ami Tauras and Christina Paquette. The girls were coached by Richard Coleman and assisted by Donnie Wilson. All the girls put in great time and effort this season and it paid off. In the Southern Worcester County League meet, Corrina MacKoul and Amy Tauras finished first and second; Tina Carlson, Amy Corcoran, and Jen Cochran finished with some of their best times ever in that meet. And with the team having no senior members, we wish the girls the best for next year's season!

Oh no! She's gaining on you, Corrina.

## Boys Cross Country Team

# Go to Great Lengths

It looks like the hard work of the boys paid off because the cross country team did very well this year, ending with a record of 6-8. The team consisted of runners Mic Foley, Tim Schreyack, Steve Cunningham, Scott Dame, Keith Dubois, Joe Flynn, Jessie Jaillet, Joel Therrian, Tim Walker, Jesse MacKoul, and Jeff Pelland. The coach of this successful team was Richard Coleman and helper Donnie Wilson.

In the SWCL meet, Mic finished with a strong tenth place. Tim came in just behind in eleventh place. Joe Flynn came in fourteenth. This gave Grafton an all around third place. Coach Coleman was pleased with the efforts of all the boys and hopes to be even more successful next year.

Scott Dame gasps for breath.

Three of the opponents gain up on Jesse Jaillet.

Keith Dubois and Jesse Jaillet continue to the end.

Mic Foley and Tim Schreyack put their hearts into this one.

## Just for Kicks

The 1988 Grafton High Soccer team had a record of 7-6-1. This is a notable record for only the second year of existence. This spectacular team consisted of the following seniors - Mike Reardon and Manuel Salinas. Juniors: Jason Petrie. Sophomores: Tom Doane, Mike Murphy, Scott Dunster, Jeff Poole, Chris Gagne, Barry Larynowicz, Brooke MacDonald, Chris Donaghy, Shawn Reeves, Dina Mitchell and Nans Neurdenberg. Freshmen: Jonathan Cusson, Darrin Reardon, Matt Winalski, Scott Townsend, Erica Schonberg, Mike Coonan, Ted Azar, Lad Dell and Toby Richards.

This team had a very successful year under the leadership of Coach Mike Flynn. There was a much larger turnout than there was last year. Hopefully, in the future, as the team continues to grow, Grafton will have a junior varsity team and continue to exceed in excellence.

# To the Grafton High Football Team It is More Than Just A Game

It started with Millbury, picked up momentum with Northbridge and cruised through Auburn, Oxford, and Keefe Tech. After a come from behind tie with Assabet, it became clear that Grafton had a shot at its fourth Super Bowl in five years.

They were led by the strong running of Al Patel, Dennis Hardiman and Joey Maynard, the accurate passing of Scott Linblad and the great hands of Jon Jendrzejewski and Pat Warner.

By Thanksgiving Game against West Boylston, the Indians record was 7-0-2. The Lions looked upstoppable as they rolled over the Indians in a humiliating defeat. After all the points were counted, Grafton had gained enough points and won a second shot at West Boylston in the Superbowl. It was a senior dream to be playing the last game of his career at WPI in the Super Bowl. Although Grafton lost, the team played one of the best games of their lives and regained the respect they had lost on Thanksgiving. Never has a team expected by so many, to do so little, done so much.

Senior members of the team are Chris "Dumpster" Dunster, Norman "Stormin' Norman" Laviolette, Alpesh "Albert" Patel, Steven "Rambis" Butkus, Capt. Dennis "Poon" Hardiman, Roger "Slammin' Sammy" Samuelson, Brian "Pud" Mathis, Mike "Shica" Schichilone, Capt. Brian "Booga" Brueggemann, Pat "Madge" O'Rourke, Capt. Jon "J.J." Jendrzejewski, and Jon "Ron Jon" Morley. Congratulations, Guys!

# Football Cheerleading Shout it Cheer it

We've got spirit, we've got pep . . . and they certainly do. The 1988 Football Cheerleading squad could not be stopped. As well as cheering at the varsity football games, The squad participated in other activities such as summer camp and pep rallies. This year's squad under coach Annette Hebard worked very hard to bring forth a "new and improved" image. Using camp and their own ideas they were able to come up with many new side-line cheers.

Their spirit continued through the rest of the season and ended by cheering for their team at the Superbowl.

## Basketball Cheering Injuns Will Jam

The basketball cheering squad of '88-'89 was a mixture of many old and new faces. Together, the ten regular cheerleaders and three alternates endured many hours of practice and numerous basketball games.

Under the coaching of Annette Hebard, the cheerleaders performed new routines with many different twists and stunts.

Among the members of this years squad was: Kim Ayres (co-captain), Nina Tauras, (co-captain), Senior Pam Fields, Juniors Mary Auger and Jennifer Boudreau, Sophomores Wendy Butkus, Danielle Dano, Lauren George, Amy Gonyor, Ami Tauras and Candy Martin and Freshmen Lauren Cristini and Heather Way.

The season was very prosperous and enjoyable ending with intense battles for the basketball team in the Clark Tournament and districts.

C'mon girls - Blur out those words.

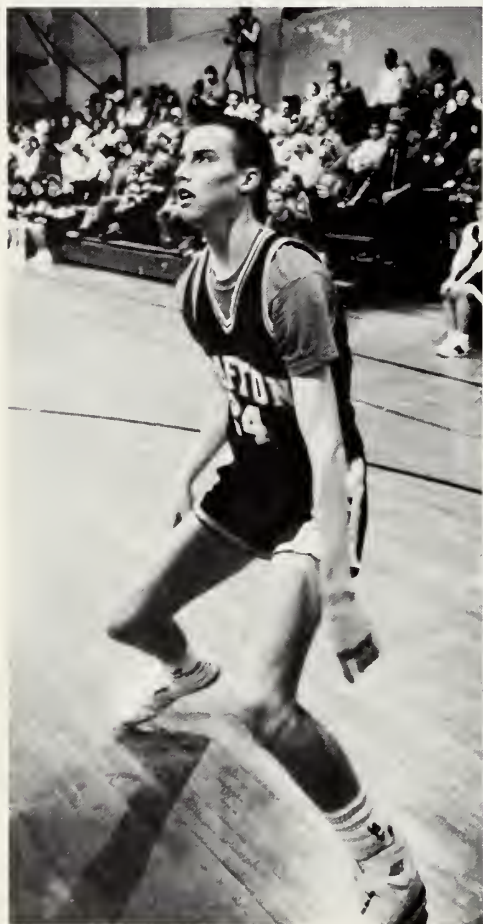

# Grafton Basketball Shoots for the Sky

This year the basketball team proved to be a last minute team. In posting a 9 wins 7 losses record in the regular season they won numerous games at the final buzzer. The miracle three-quarter court shot at the buzzer to beat Leicester turned out to be the most dramatic victory of the season for the Indians.

Led by co-captains Alpesh Patel and Bill Hermans, seniors Tom O'Malley, Tim Fiacco and Larry Thuot and second year coach James Bergenholtz the Indians made it to both the Clark Tournament and districts.

## Girls Basketball Team The Queens of the Court

Although the girls didn't have a fruitful season as far as victories go, they played with much enthusiasm. Their 2-15 season was highlighted by two incredible buzzer beating shots. The first game winning shot was made by Amy Smith to beat Northbridge, while the second was a 25 foot three point shot by Lisa Chiarenza to beat Millbury.

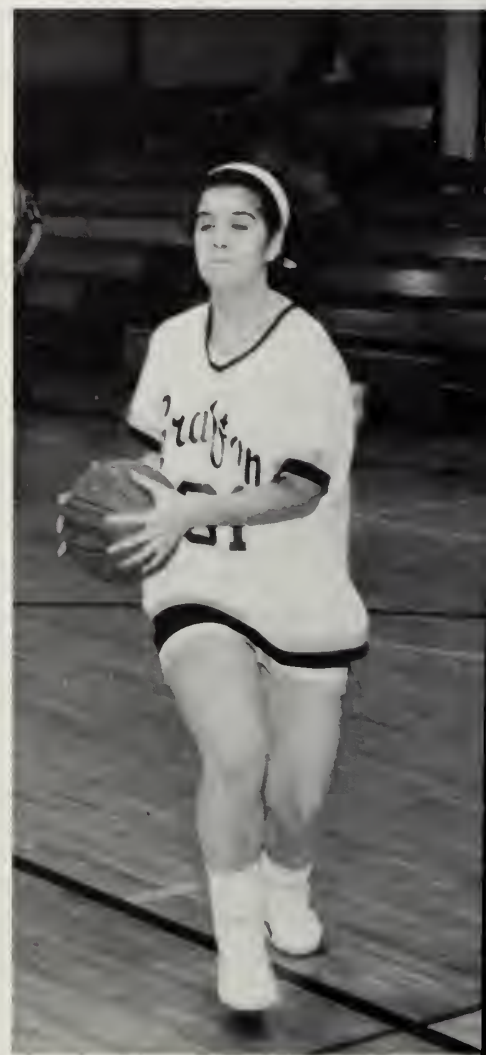

This years team, featuring seniors Denise Patterson, Kelly McIntyre, Missy Haseltine and Andrea Wright drew very vocal crowds despite their record. At the end of the season coach Gary Nelson rewarded his team with a pizza party in memory of the miracle finishes.

After all the games have been played and all of the uniforms are returned, Grafton High School athletes all know that it is time for Awards night. This year, awards night was held on June 6, in the auditorium. All student athletes along with many parents attended this annual event. Mr. E welcomed all of the guests. Coaches then proceeded to give a brief speech about the season's triumphs and trials. Finally, MVP and Coaches award were given out to the most deserving athletes. A surprising Coaches award was given to the entire Superbowl football team by Mr. E., Mr. LeMay then presented academic awards to many students. Grafton High is one of the only schools who rewards their students for excellence in the classroom as well as on the playing field. It was then time for each student to receive their personal award whether it be a varsity letter, gold bar, gold star plaque, varsity blanket or a combination of all the honors. The evening ended with the presentation of several trophies for the seniors. All who attended The '89 Awards night left with more than they came with, a piece of Grafton High pride!

# With this Ring . . .

Personal and family living is a course in which students learn about themselves, their peers and what life has in store for them when they graduate. An enjoyable part of the course is a mock wedding which involves everyone in the class. There was a lot of planning and work involved in preparing for these weddings. For weeks students prepared decorations, and made arrangements for tuxes, gowns, food and flowers. In class students went over vows and time schedules to make sure that everything would run smoothly.

The mock weddings were as close to the real thing as possible. This year there were two separate weddings, one for each class. The first class's wedding party was made up of - Michelle Decaire, the bride; Valerie Sneade, her maid of honor and Jessica Jordan and Kim Ayres, her bridesmaids. It also included George Carroll, the groom; Mike Sneade, best man; and Roger Samuelson and Ed Vickers ushers.

# I Thee Wed

The second wedding party was made up of Kristen Chiginski, the bride; Gretchen Anderson, her maid of honor; Melissa Haseltine and Christine Pirie, her bridesmaids. It also included John Grenier, the groom, Joel Welcome, best man; and Joe Ide and Jim Brown, ushers.

After weeks of planning the day arrived. Class members spent part of the morning decorating the auditorium. There were wooden arches with crepe paper flowers, streamers, all along the aisle. Both weddings were a tremendous success straight through the reception, during which all the students ate a turkey dinner complete with wedding cake. All food was prepared by the foods classes.

These weddings were a lot of fun for all students involved but were also a great deal of hard work. We would like to thank all the teachers, businesses, and participants who made the weddings possible and successful. A special thanks to Mr. Tux of Worcester who provided all the tuxes free of charge. Also to Jan, of Jan's Bridals who spoke to both classes and provided the wedding gowns free of charge. Herb's Florists provided the flowers.

## UP THE STAIRCASE DOWN

This year we saw the return of theater to Grafton High School. "Up the Down Staircase" under the direction of Steve Braddock and Liz Humphreys, was a remarkable display of talent. The main characters were played by Jon Jendrzejewski, Norman Laviolette, and Laura Libbey. The remainder of the cast included a variety of the four classes. After endless hours of rehearsals, scenery construction, and practice, the cast performed the play for two evenings – May 3rd and 4th. The play was a great success and hopefully the excitement and talent will extend to the coming years and drama will return to the Grafton stage permanently.

# N.H.S. Induction

After that, the couples were served a dinner of prime rib. Now it was time for dancing. The juniors moved to their favorite songs, some a little better than others. Midway through the evening, the disc jockeys and help chose the prom queen and king plus their court. The junior prom queen was Ann Klocek and king was Jon Morley. A fun time was had by all and it was a time to remember.

May 27th brought with it sunshine, rain and the Grafton High Junior-Senior prom. The Worcester Marriott awaited our arrival as we made our last preparations and got ready to go. The dimmed lights and elegant decorations made for a romantic setting. After dinner was served, everyone was ready to start jammin' to the latest dance club hits. Next for excitement was the crowning of King and Queen. As the candidates walked around the floor, each was carefully considered. In the end, the crowns went to Missy Haseltine, Queen and Alpesh Patel, King. As the night continued dancing began again, mingling was seen and memories were being made. With all the fun, excitement and elegance everyone agreed that they wished they could Hold on to the Night.

The competitions between our school and the others included: canoe races, field events, swimming, and the many competitive games of volleyball between Grafton and West Boylston. Biggest Airhead – Richard Caron and Jessica Jordan

As our senior year winded down and it came down to the final days, seniors finally realized that it was almost over. Class Night brought a certain air of farewell wishes to close friends. The 1989 Class Night was held on June 1, in the cafeteria. Banquet tables were set up and decorated in green and white. Class books were distributed to everyone in the class. After everyone began to autograph classbooks, a potluck dinner was served buffet-style. When supper ended, the long awaited superlative winners were announced, some were obvious and others brought a little surprise. The teachers also gave their own superlatives this year. "Most trips to the bathroom" and "Most likely to come to class unprepared" were among the new entries. Now it was time to view the annual slide show, which was well worth the four year wait. The evening was dedicated to the class of '89 and our hardworking and dedicated friend, Mrs. Redding. It was truly a special and fun filled evening for all and a night to remember!

# Seniors Come Together To Part

**A TOKEN OF OUR APPRECIATION.** Senior class president, Nina Tauras presents Mr. Lemay with the class gift – a new podium.

**THE BEST OF THE BEST.** Keith Kinch enlightens the crowd with his thoughts on "Values in Education."

June 2, 1989

Finally, the end was in sight. After twelve years graduation was soon to be a reality for the class of '89. As the warm weather arrived, thoughts turned to plans for the future – college, employment, or the armed forces. But the flurry of activity kept the seniors busy as the year drew to a close. With the week's special activities and exams over, the band played "Pomp and Circumstance" as the graduates marched into the gymnasium.

The ceremony featured speeches from valedictorian Keith Kinch, salutatorian Tracy Frederico, honor speaker Ann Klocek and senior class president Nina Tauras. At last, the big moment arrived. Mrs. Carol Sotiropoulos presented each graduate a diploma after Nina Tauras read their name. Finally, tassels were switched to the right side of the caps and the ceremony ended.

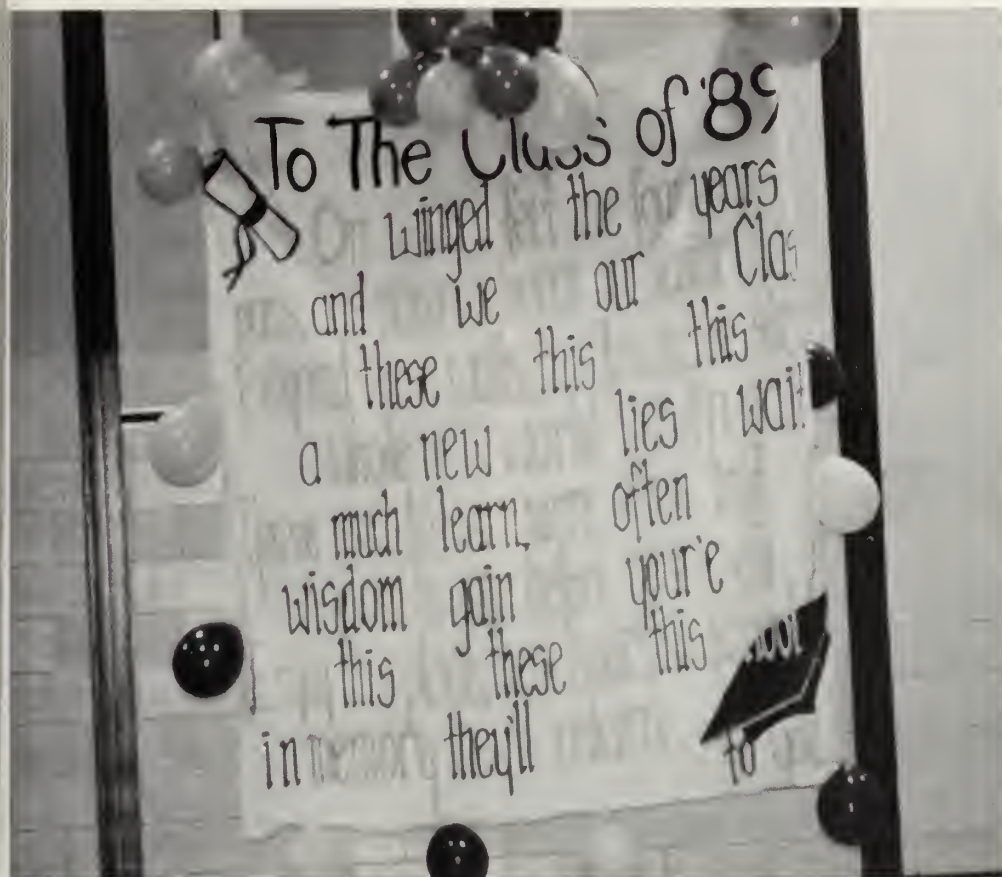

The night ended with a throng surrounding the graduates. Congratulatory hugs from family and friends, tears of joy and sadness filled the air as the class of '89 came to part.

**MAYBE SOMEDAY WE'LL MEET AGAIN.** The senior girls' chorus sings "Maybe Someday" – a farewell to the class.

TO THE CLASS OF 1989. The 1989 senior banner holds true to the message it portrays about the memories of Grafton High.

A MOMENT TO REMEMBER. Ann Klocek, the honor speaker, reflects on the past and future of the graduating class with her speech "The End of A Chapter."

THE BEGINNING AND THE END. Salutatorian Tracy Frederico shares her speech "The Alpha and the Omega."

AWARDED FOR EXCELLENCE. Andrew Garabedian smiles as he is presented a scholarship by Mr. Compton.

**GETTING HERE WAS HALF THE FUN.** A bunch of senior guys pose for a last minute picture before graduating.

**THEN THE MOMENT'S GONE.** Valerie Sneade and Kristen Fisher accompanied by Michael Sneade, dedicate "Dust in the Wind."

**A SPECIAL MOMENT.** Pam Fields smiles as she accepts her award.

**IT'S ALMOST OVER.** Jen Kilgour receiving a scholarship.

HAPPINESS IS . . . Saysamone Saensombat smiles as he prepares to graduate.

LAST MINUTE ADJUSTMENTS. Mrs. Langas helps Kristy Cusson adjust her hat.

**CONGRATULATIONS GRADS**

EAGER TO MOVE ON. Seniors listen as they await the awarding of the diplomas.

THE HASSLE FOR THE TASSEL. Missy Foss is determined to look "just right" for her "big night."

HARD WORK PAYS OFF. Mr. Compton awards Jon Morley with a scholarship award.
